

Meeting April 13th, 2000!

At: South Portland Boys & Girls Club 7-9 p.m.

George Drivas has submitted plans for proposed 14 units on Front St. At the March meeting of the FVNCA, members voted unanimously to oppose the approval of any waivers or special exceptions for the Jiffy Lube business @ 207 Broadway on a lot adjacent to an intersection identified as dangerous by a city traffic study.

Do you want to continue with FVNCA monthly meetings during July & Aug?

Carol Campbell was nominated & voted in to take over as Treasurer. Thank You Carol!

It is time to start thinking of nominees for office elections in the fall.

Knightsville Association & the people involved with Charlotte St. thanked FVNCA for their support.

OpSail 2000 will gather here in Casco Bay July 28-30 with possibly 150,000 - 200,000 people visiting the area. Ferry Village will be a prime viewing sight. FVNCA will be discussing interest in participation of this event. Ideas as well as volunteers are always welcome.

By-laws subcommittee: a few minor changes were made to the by-laws draft and they were approved by a unanimous vote. We still need a brief history of

FVNCA to include in the by-laws. Thanks to Dick Ingalls, Peter Larson & Guy Linscott for all their work!

Master Plan Research Committee needs members
Next Meeting April 12 @ 7
