Ferry Village Earth Day!

Many thanks to all that participated in this years clean up! The thank you BBQ will be on May 19th @ Legere park @ noon. Hope to see you there! Volunteers collected lots of trash and furniture from the neighborhood and a bench on the greenbelt near Old Joe's Pond was painted. Two trashcans will soon be installed on the greenbelt. We still have more paint for benches at School St. playground. We need stewards to monitor the trashcans and finish painting benches, please call Aileen @ 767-7153 if you would like to help.
