- **Old Joe's Pond Research Committee:** Chair Betsy Morrison will be updating us this meeting and talking about components of an easement.
- **Noise and Scheduling Issues update** by Bruce Grieco at this meeting. Bruce has been attending and representing FVNCA at all the Jetport meeting. He plans on even taking time off from work for an October 13th meeting where Tom Allen will be chairing and John Baldacci will also be in attendance. Thank you Bruce for all the hard work!
- **F.V.N.C.A. T-shirts** are still available for sale. Shirts are only \$10.00 and have a wonderful design! Contact Aileen Martello at 767-7153 if you would like to purchase one. The last of the FVNCA Cookbooks are available for \$5.00. These both make great Christmas presents!
- **F.V.N.C.A. Time Capsule:** The Time Capsule will be buried under the Ferry Village sign located next to the Pine Street Baseball Field. Please have any items you would like included dropped off to Karen Hannigan's house (120 Harriet Street) by October 20th.
- **Crime Watch Update:** Karen Hannigan is researching what needs to be done to obtain the signs for the neighborhoods and will have an update at the meeting. Anyone interested in helping out, please contact Karen at khannig1@maine.rr.com or 799-6307.
- South Portland is considering **selling** the city owned **Portland Street Pier** where Lobstah Café burned. The Planning department also has a map of undeveloped open space. Now, the question is if we (the public) want to work on obtaining any of this open space instead of reacting when it is in the development phase.

- **Rockwood Property Update** regarding pest control concerns expressed at an F.V.N.C.A. meeting. A trapper is on contract at Rockwood. He even was on contract during the period of multi-tenancy.
- **F.V.N.C.A. Master Plan Research Committee:** Master Plan Research Survey has been finalized and the committee is working to put together results. More information to come.
- **Brownie Press Printers donated** all the photocopying of the last newsletter. There were over 400 photocopies! They also printed the surveys and 1000 FVNCA brochures. **Thank you Brownie Press Printers!**
- **Many thanks also to Robin and Ted McCarthy** for their monetary donation.
- Ferry Village Neighborhood Conservation Association thanks **Marvelous Meals** for the delicious refreshments served at our meetings. **Marvelous Meals** delivers low fat, balanced and nutritious food provided by Aileen Martello, 767-7153, oakstreet@gateway.net.
- **The new Betsy Ross house is looking for volunteers in all capacities.** They are even offering a free lunch for any lunch wait staff volunteers. Contact Bill Willett at 773-1776.
- If you would like to include something in the FVNCA Newsletter, please contact Karen Hannigan at khannig1@maine.rr.com or at 799-6307. Please contact an FVNCA officer if you find that you stop receiving the newsletter during the transition to new officers. Kathy Latendresse thanks everyone!
